FURTHER SUBMISSIONS BY POWERCO LIMITED ON VARIATION 1 (INDIGENOUS FOREST AND BIODIVERSITY) TO THE STRATFORD DISTRICT PLAN

No.	Submitter	Support/ Oppose	Original Submission	Reason for the further submission
10/03-14	Ngati Ruanui Group	Oppose	Amend definition by deleting reference to "upgrading of utilities"	Powerco opposes this submission, as occasionally vegetation needs to be trimmed in association with the routine upgrading of its existing electricity distribution network. Restricting vegetation trimming associated with upgrading works would require Powerco to obtain a resource consent, which may result in unnecessary delays and could affect the security of electricity supply. Powerco seeks that these submissions are rejected.
10/03-22	Ngati Ruanui Group	Oppose	Amend permitted activity rule by deleting reference to "upgrading of utilities"
