Dear Sir,

Request to protect native trees.

I would like to apply to Council to have two Totara and one Rimu trees which are on the common boundary between No's 6 and 8 Olivia Street Stratford registered with the Council as protected trees .

The trees were planted approx ninety years ago and are approximately fifteen to twenty meters in height and are in excellent health.

The reason for my request is that there is a strong possibility that these trees will be felled in the near future and this would be a great loss.

Yours sincerely,  
Allan Rinaldi
