SUBMISSION FORM

STRATFORD DISTRICT COUNCIL

Resource Management Act 1991

To: Stratford District CouncilSubmission on: Stratford District Plan Variation 1 - IndigenousForest & BiodiversityName: Tain and Kathrine Sextus.
[Full name]Address: 548 East Road RD22
STRATFORD 4392.
[Full postal address]

1. The specific provisions of Variation 1 that my submission relates to are as follows:

1. A2.4.5 Economic instruments in the form of rates relief will be offered as compensation to any landowner who voluntarily covenants an area of indigenous vegetation or significant habitat of indigenous fauna.
2. And also the photograph WHS08 in the appendix identifying the Toko Wetland.

2. My submission is that:

[State in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons.]

1. In the interest of perpetuity we wish to propose that A2.4.5 be amended to include provision for any landowner with an area of indigenous vegetation or significant habitat of indigenous fauna on their property receive a full rates relief on this area regardless of whether or not a covenant has been placed on this. This document seeks to place the same constraints on any area of indigenous vegetation or significant habitat of indigenous fauna as would apply if a covenant had been placed on this land anyway. *

*1 My Submission is that:

2. The Toko Wetland has been identified as a Key Native Ecosystem within the Taranaki Region. The area identified by the photograph WHS08 should be extended east to the boundary fence. This would be in-keeping with what has already been identified by the Taranaki Regional Council. As this has always been a part of the Toko Wetlands this is not an addition but a correction.

*2 I seek the following decision from the local authority:

2. That the selected area of the Toko Wetland shown on ^{photograph} WHS08 be corrected to include the area to the east in-keeping with what has already been identified by the Taranaki Regional Council as a Key Native Ecosystem.
