Non-profit organisations have a considerable beneficial impact on the district and individual committees.

Many of these organisations are hard pressed for funds and Council should encourage their development and growth.

## **POLICY STATEMENT**

1. That Council remit Building Consent Fees, on the application of non-profit organisations. Such remission being at the discretion of the Building Inspector who shall report on any remissions to the Policy and Services Committee at its next meeting.
2. That Council remit Administration Service Charges up to a maximum of \$200 on the application of non-profit organisations. Such remission being at the discretion of the Chief Executive who shall report on any remissions to the Policy and Services Committee at its next meeting.
